(Dear Col. Landon,)

I have received your letter ~~Confl~~ No. 501 D 26/1/28 (confl). I am afraid I might not have made myself clearer understood when I said in ~~my~~ letter the concluding ~~portion~~ sentence of my letter of the 27th inst. that ~~HH~~ to whom I submitted Raj Kumari's letter fell very far short of what had Father plan. What I really meant to convey thereby was that HH on reading Raj Kumari's letter worded somewhat indiscreetly fell very far Raj Kumari not having observed the normal official courtesy in applying to you for leave. My ~~I~~ fault that I did not make the last para clearer I therefore in hastening to express my regret for the same I may assure you that nothing else was meant to be conveyed.

(Yours sincerely)
